Project #6

Video Link – https://media.oregonstate.edu/media/t/1_mbyms8dv

Description – I have drawn a Butterfly with 4 wings using the Bezier curve. Each wing has 10 curves. The body and Antenna is also drawn using the Bezier curves.

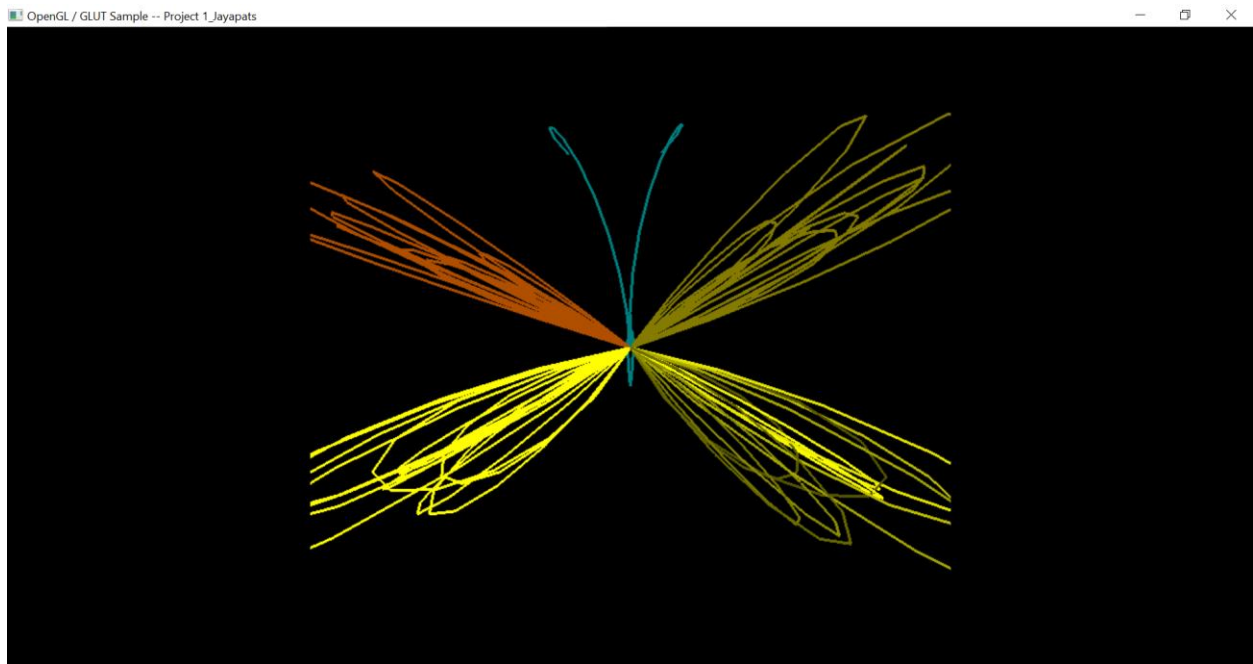

Keys –

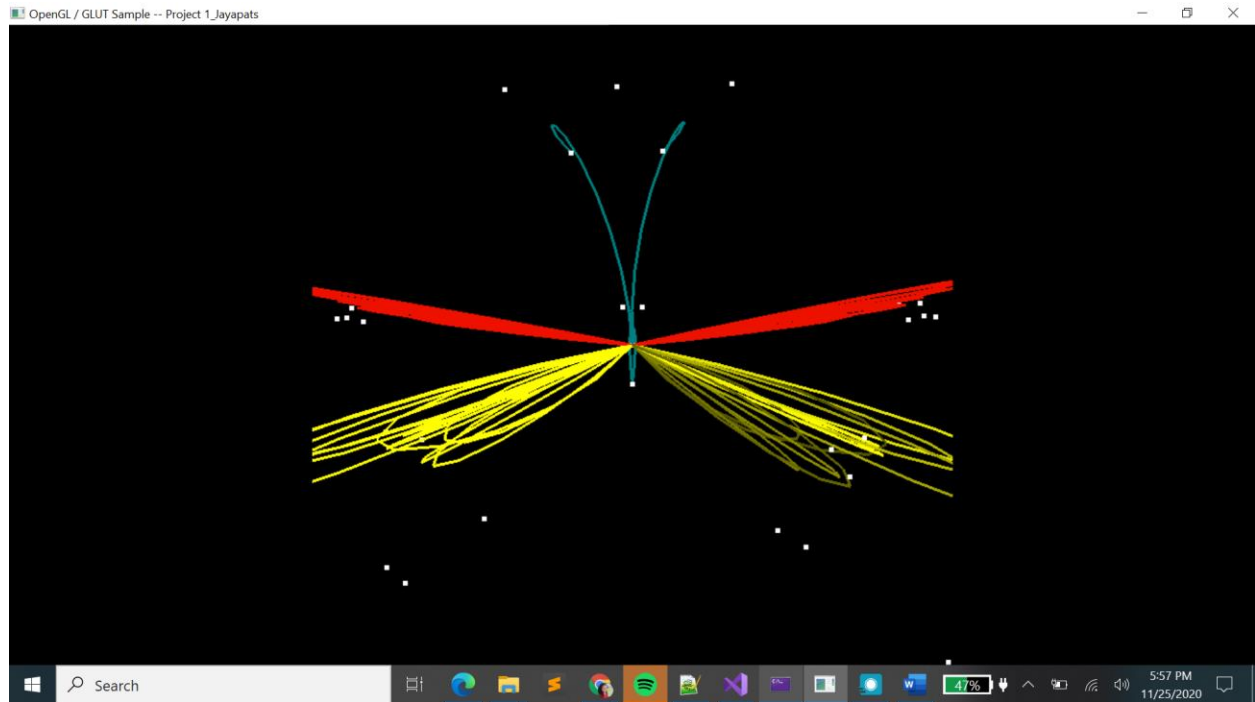

'f/F' - Freeze both animations

'a/A' - Toggle between switching on and Off the Points

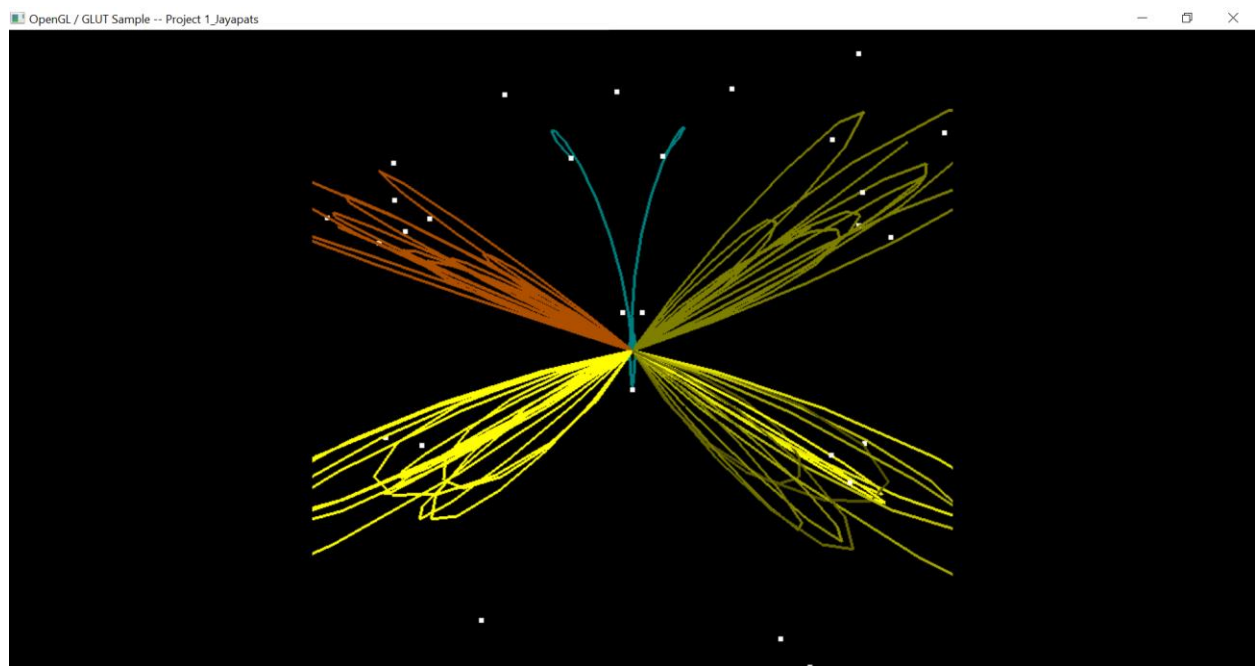

'b/B' - Toggle between switching on and Off the Control Lines

'c/C' – Switch on and off the Curves

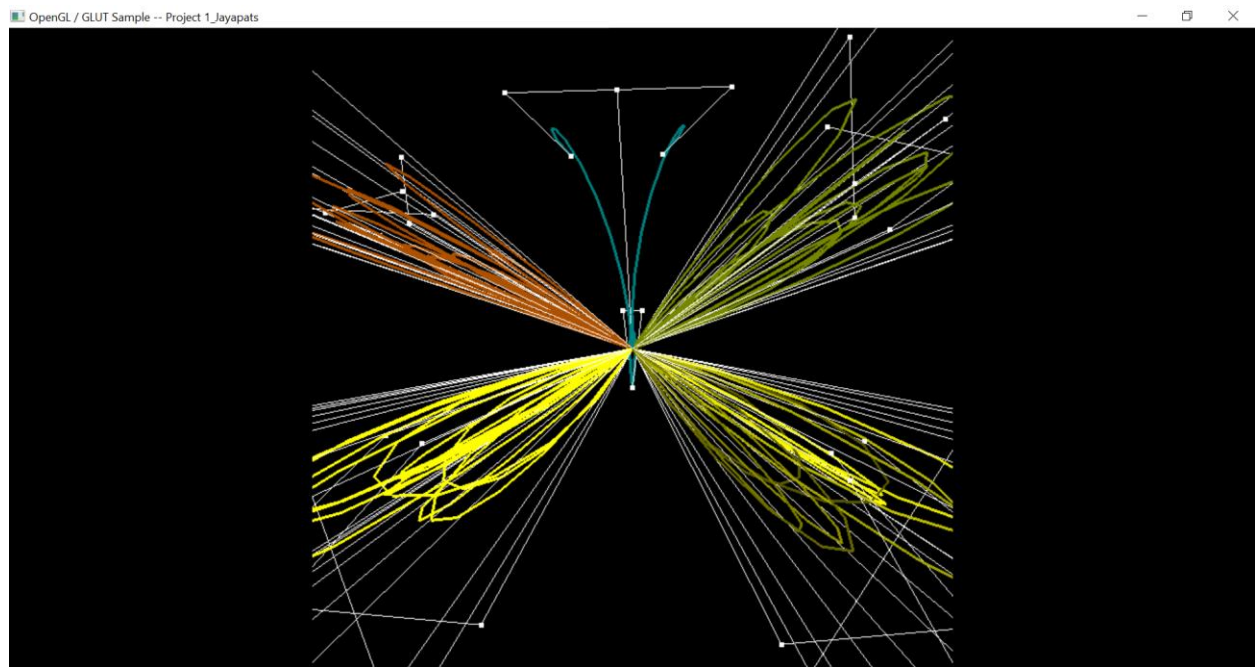

With Points

With Control Lines :

Without Curves
